

We will soon be consulting on our updated plans for South Brooks Solar Farm.

South Brooks
Solar Farm

This newsletter sets out how you can get involved in the consultation, where you can find out more information, and how you can send us your feedback.

We previously consulted on our early plans for South Brooks last year. Since then, we have read all the feedback that we received and have also carried out more environmental work. This has helped us to update the plans, which we are now asking for your further feedback on.

This consultation is running between Thursday 28 May and 11:59pm on Thursday 9 July 2026.

A guide to our consultation materials

At the start of consultation on **Thursday 28 May 2026**, we will publish:

- A consultation booklet which summarises our updated proposals for South Brooks Solar Farm
- A consultation questionnaire, which you can use to share your feedback
- Preliminary Environmental Information ('PEI'), which shares key information about the environmental work we have done so far.

How to get involved

You can find out more about South Brooks by:

- Phoning **0800 038 3486** (9am - 5pm Monday to Friday), emailing **info@southbrookssolarfarm.co.uk** or writing to our Freepost (no stamp required) address:

**South Brooks Solar Farm
FREEPOST SEC NEWGATE UK LOCAL**

- Visiting our project website: **southbrookssolarfarm.co.uk** where you can view our consultation materials from 28 May.
- Coming along to the **public exhibitions** we are holding:

| | |
|--|---|
| Lydd Community Hall, Manor Rd, Romney Marsh, TN29 9HU | Thursday 11 June (1pm - 5pm) |
| St Peter's Church, Baldwin Rd, Greatstone, TN28 8RG | Friday 12 June (4:30pm - 8:30pm) |
| Maude Community Centre, Station Road, New Romney, TN28 8LQ | Saturday 13 June (11am - 3pm) |
| Camber Memorial Hall, Lydd Rd, TN31 7RJ | Friday 3 July (4pm - 7pm) |
| Lydd Community Hall, Manor Rd, Romney Marsh, TN29 9HU | Saturday 4 July (11am - 3pm) |

- Attending one of our **online technical webinars**. You can sign up via our project website: **southbrookssolarfarm.co.uk**
- **Getting in touch by post, email or phone** to request a printed copy of our consultation booklet and questionnaire, SoCC or a USB containing all the consultation materials. We will post these to your address free of charge. Requests for printed copies of the PEI will be considered on a case-by-case basis.
- **Collecting a printed copy of our consultation booklet and questionnaire** (please check opening hours) from 28 May, where a printed copy of the PEI will also be available to view (see project website or contact us for locations).

You can share your views from the start of consultation by:

- Completing an online questionnaire at: **www.southbrookssolarfarm.co.uk**
- Submitting your comments or a completed questionnaire by email to: **info@southbrookssolarfarm.co.uk**
- Posting a completed printed questionnaire (no stamp required) to:
**South Brooks Solar Farm
FREEPOST SEC NEWGATE UK LOCAL**
- Submitting your comments by email to **info@southbrookssolarfarm.co.uk** or in writing to the above Freepost address.

All responses must be received by the consultation deadline of 11:59pm on Thursday 9 July 2026.

We will consider all the feedback that we receive which, along with our ongoing assessments, will help us to refine our design ahead of submitting the planning application. We expect to do this early 2027.
